The Badge of Honesty
In every wrapper of Doctor Pierce's Golden Medical Discovery because a full list of the ingredients composing it is printed there in plain English. Forty years of experience has proven its superior worth as a blood purifier and invigorating tonic for the cure of stomach disorders and all liver ills. It builds up the run-down system as no other tonic can in which alcohol is used. The active ingredients of native roots such as Golden Seal and Queen's root, Stone and Mandrake root, Bloodroot and Black Cherry bark are extracted and preserved by the use of chemically pure, triple-refined glycerine. Send to Dr. R. V. Pierce at Buffalo, N. Y., for free booklet which quotes extracts from well-recognized medical authorities such as Drs. Bartholow, King, Scudder, Coe, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action in all weak states of the stomach, accompanied by indigestion or dyspepsia as well as in all bilious or liver complaints and in all wasting diseases where there is loss of flesh and gradual running down of the strength and system.

The "Golden Medical Discovery" makes rich, pure blood and so invigorates and regulates the stomach, liver and bowels, and through them, the whole system. Thus all skin affections, blotches, pimples and eruptions as well as scrofulous swellings and old open running sores or ulcers are cured and healed. In treating old running sores, or ulcers, it is well to insure their healing by applying to them Dr. Pierce's All-Healing Salve. If your druggist does not happen to have this Salve in stock, send fifty-four cents in postage stamps to Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and a large box of the "All-Healing Salve" will reach you by return post.

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine or any other concoction, not even though the urgent dealer may thereby make a little bigger profit.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

SUGAR MEN GUILTY.
The trial of James F. Bendersagel,
Oliver Spitzer and the four checkers—
Oyle, Boyle, Kehoe and Hennessey, the
former employees of the American Sugar
Company, accused of defrauding the govern-
ment, which has been in progress for
three weeks before Judge Martin and a
jury to the criminal branch of the United
States Circuit Court, in New York, termi-
nated late last night, when the jury re-
turned a verdict of guilty in the cases of
all the defendants except Bendersagel,
on whom they could not agree.

The foreman who returned the ver-
dict added that the defendants found
guilty were recommended to the mercy
of the court.

Under the indictment, Oliver Spitzer,
the dock superintendent; John B. Oyle,
Thomas Kehoe, Edward A. Boyle and
Patrick J. Hennessey, the checkers,
may be punished for the commission of
two overt acts, the maximum penalty for
each of which is two years' imprison-
ment and \$5,000 fine.

United States District Attorney St. John
moved that the indictment of Ben-
dersagel be severed from that of the
others. George M. Mackeller, counsel
for the defendants, expressed the inten-
tion of moving for a new trial at the con-
clusion of the trial. Judge Martin set
this morning at 10:30 as the hour for
the court to reconvene. Sentence will
probably be pronounced as soon as the
necessary motions have been heard.

The defendants were not locked up.
Bendersagel was released on the same
bond on which he was arraigned on this
indictment; the other defendants on
those furnished for the three indictments
last May on which they were not tried.
It is \$5,000 in the case of Spitzer and
\$2,500 for the checkers.

CHAPTER OF HORRORS.
Tragedies, which resulted in five deaths
were reported yesterday from the moun-
tain regions of Fayette county, W. Va.
Because relatives of Henry Kincaid, a
prisoner in the Fayette county jail, re-
fused to go on his bond, thus securing his
release from prison, Kincaid com-
mitted suicide by taking carbolic acid.
He was charged with the murder of his
brother-in-law, Arthur Buckland, at
Pocahontas, last June, and at his trial
in October the jury failed to reach a
verdict.

At Oak Hill, Rev. Robert Smith, a
"sanctified" preacher, drove away a sur-
geon who had been called to dress the
wounds of his 3-year-old daughter, who
had been seriously burned. The child
died, and Smith was arrested, charged
with criminal negligence.

At Longacre, Ernest Bowles, aged 18,
colored, was arrested on a charge of
fatally wounding his stepfather, George
W. Johnson. When Bowles went home
from work he found that his mother had
married Johnson and that the latter had
taken charge of the house. Johnson told
Bowles to leave the premises. Bowles ac-
cused a shotgun and emptied the con-
tents into Johnson's side.

At Rush Run, a Hungarian miner's
wife fastened her two small children in
her home while she went to a nearby
store. Upon her return she found the
house in flames and both children burned
to death.

RELATIONS STRAINED.
Mexico and the United States are on
the verge of a question which threatens
their amicable relations.

Senor Creel, special diplomatic agent
of Mexico, in his representations to the
State Department ever since his arrival
has dwelt upon the question whether the
United States would give Zelaya a safe
conduct out of Nicaragua in the event of
his downfall.

Secretary Knox has told him that to
do this the United States would not
agree. It is the intention of the United
States to keep Zelaya bottled up in Ni-
caragua until he shall become a state
prisoner of the new government.

Mr. Creel has told the United States
that his government wishes to save the
life of Zelaya. It is understood that the
commander of the General Guerrero,
which has been reported to have been
ordered to Corinto, has instructions to
take Zelaya on board, where he will be
under the protection of the Mexican
flag.

Mexico has been told that any attempt
to take Zelaya out of Nicaraguan juris-
diction by Mexican aid would be regard-
ed as an unfriendly act.

NEWLYWEDS IN A CAGE.
Mr. and Mrs. Walter H. Gordon,
newlyweds, were given a unique recep-
tion Thursday night, shortly after they
had been married, in Camden, N. J.
The bride was Miss Lillian May Griffith,
of Gloucester city. After leaving the
parsonage William O. Story, the best
man, directed the cabdriver to proceed
to Third street and Bridge avenue,
where a large number of Mr. Gordon's
fellow-members of the Alpha Club had
gathered outside the P. R. E. Y. M. C.
A. Hall, in which the club's basketball
five was engaged in a game. It was
easy for the superior numbers to force
the bride party into the hall, and thence
into the cage, where the blushing pair
were subjected to the gaze of the several
hundred spectators. Then, to complete
the hazing, Mr. and Mrs. Gordon were

Thinks all the More of Her
Doctor Since He Advised
Her to Take Cardui.

Carrsville, Ky.—"My doctor," writes
Mrs. Hattie Cain, "who advised me to
take Cardui, for my troubles, is a mighty
fine doctor, and I say God bless Cardui
and the people who make it.

"Before I took Cardui, I suffered with
female troubles for sixteen years. I
would have to send for a doctor every
three months, and oh! how dreadfully I
suffered!

"I would cramp and have convulsions
and it looked like I would die. At last
I took Cardui and oh! what a surprise! I
found it was the medicine for me!

"From the first bottle, I began to mend
and now I am well, can do more work,
can walk and go where I please and it
doesn't hurt me, and I owe it all to Cardui."

Cardui helps sick women back to
health. It has been doing this for over
50 years. It is not a laxative, or a heart
or kidney medicine—it is a woman's
medicine.

If you are a woman, try it.
